REPORT ON FEMALE HEALTH AWARENESS PROGRAMME

Globally, approximately 52% of the female population (26% of the total population) is of reproductive age. Most of these women and girls will menstruate each month for between two and seven days. Menstruation is an integral and normal part of human life, indeed of human existence, and menstrual hygiene is fundamental to the dignity and wellbeing of women and girls and an important part of the basic hygiene, sanitation and reproductive health services to which every woman and girl has a right.

However, menstruation is too often taboo, and has many negative cultural attitudes associated with it, including the idea that menstruating women and girls are 'contaminated', 'dirty' and 'impure'. Menstruating women and girls are forced into seclusion, suffer reduced mobility and dietary restrictions, and can be prevented, through cultural norms, from participating in daily activities. Despite, or perhaps because of this, menstrual hygiene has been routinely ignored.

Considering this, we, the members of the Health Centre of our college, planned to organize an awareness programme on female health and hygiene, as in our institution a large number of female students are enrolled. The programme was organized in collaboration with Procter & Gamble Hygiene and Health Care Ltd. The programme was held on 06.08.2018 (Monday) at the Seminar Hall. Principal madam inaugurated the programme and the speakers from P&G interacted with the students and make them aware about different aspects of female health and hygiene. More than 350 female students of our college took part in the programme.

Reward Me Program

Dear Sir / Madam,

Your students are a reflection of the Institution they represent. As they graduate from college and enter the corporate world, their success is the true measure of your success. We, at Procter & Gamble, want to help your students look their corporate best ensuring that they put their best foot forward every single day!

P&G is one of the largest consumer goods manufacturers in the world with some of the world's most loved brands such as Gillette, Pampers, Whisper, Ariel, Tide, Pantene and Head & Shoulders. Established in 1837 P&G has touched the lives of over 4.4 billion people around the world.

With the purpose of improving consumers' lives in small but meaningful ways P&G conducts a number of programs that reach out directly to the users of its brands. We conduct School programs to educate over 4 million young girls and their mothers about menstruation and female hygiene every year. Our Pampers hospital program reaches out to over 5 million new mothers to educate them on diaper usage and its benefits.

Today, we are here to talk to you about our University program that aims to provide your students what they need the most at this stage in their life – the confidence to do well in the real world. Your students will not only learn about how best they can groom themselves, they will also be able to clarify their doubts by interacting with our grooming consultants. Not just that, we will give out kits containing all these products to them.

P&G has been conducting this program for some of the most premier institutions in India including the IIMs. Now, it's your turn to bring the program to your students by hosting us in your college.

We hereby request your permission to conduct this program.

Thanks,

Procter & Gamble Hygiene and Healthcare Limited

Debashis Nandan

Sub. : An awareness programme on Acupressure Therapy.

Sir / Madam,

With due respect I bring to your kind notice that we would like to conduct a small lecture-demonstration (free of cost) on Acupressure Therapy — a treatment of curing any kind of nerve related disorder and lifestyle diseases without any medicine and any side effect.

Topic will cover B.P., Diabetes, Gastric-acidity, Asthama, Spondylosis, Body-ache, Thyroid and any kind of joint pains.

Therefore, we request you to arrange your staff for demonstration for 1 hour which will be highly beneficial for them as well as their families.

We are expecting helping hand and prompt support from your side.

Thanking you,

Yours faithfully,

Date of Demonstration :

Time of Demonstration :

IAP-BLS MASS AWARENESS PROGRAMME

SANJEEVANI

EACH ONE CAN SAVE LIFE

Organized on 03/09/2022

Jointly organised by

the Nadia Academy of Paediatrics (*Indian Academy of Paediatrics, Nadia Branch*) and the Health Centre subcommittee in Collaboration with IAP BLS CPR Centre, AIIMS Kalyani.

Introduction:

In the words Dr Digant Shastri, ex national president of IAP

“it is important that every member of the society be trained in BLS and CPR for all of us to feel safe and secure in the event of sudden Cardiac arrest”.

This program is jointly organised with IAP (Nadia Branch), an internationally recognised professional body in collaboration with AIIMS, an institute of national importance. Kalyani Mahavidyalaya organised a Basic Life Support (BLS) program aimed at equipping its students and teaching staff with essential lifesaving skills.

Recent Data shows that

- sudden cardiac arrest and consequent death is a major worldwide public health problem.
- in India it is usually reported in 10 % of all deaths
- an old estimate showed that above 7 lakh death occurs annually in India due to cardiac arrest
- 85 % of such incidents were witnessed at home

But, unfortunately. A 2021 study showed that less than 2% of India's population are aware of this life saving techniqueCPR.

Objectives:

1. To educate participants about basic lifesaving techniques such as CPR (Cardiopulmonary Resuscitation) and first aid.
2. To enhance participants' confidence in responding to medical emergencies on campus and in their communities.
3. To promote a culture of safety and preparedness within the community.

KALYANI MAHAVIDYALAYA

E-mail: klymahavidyalaya@gmail.com; Website: kalyanimahavidyalaya.ac.in

AISHE Code: C-7123

Program Overview:

The BLS program lasted for 1 day and included both theoretical sessions and hands-on training. The curriculum covered topics such as:

- Recognizing cardiac arrest and other medical emergencies.
- Performing CPR on adults, children.
- Using automated external defibrillators (AEDs) effectively.
- Managing choking incidents.

Implementation:

The program was facilitated by certified instructors from IAP BLS CPR Centre, AIIMS Kalyani. Sessions were conducted in Room no 306 of Kalyani Mahavidyalaya, equipped with necessary training materials and mannequins for practical exercises.

Participants were divided into small groups to ensure personalised attention and optimal learning.

Participant Engagement:

The BLS program saw enthusiastic participation from both students and teaching staff. Interactive sessions, demonstrations, and scenario-based simulations kept participants engaged and facilitated active learning. Participants demonstrated a strong commitment to mastering the skills taught during the program.

Outcomes:

By the conclusion of the program, participants exhibited a significant improvement in their understanding and proficiency in basic life saving techniques. Post-training evaluations indicated high levels of satisfaction and confidence among participants in their ability to respond to emergencies effectively. Certificates were given to the participants after successful completion of the hands-on training.

Conclusion:

The BLS program organised by Kalyani Mahavidyalaya proved to be a resounding success, fulfilling its objectives of imparting essential lifesaving skills and fostering a culture of safety and preparedness within the college community. Moving forward, the college intends to integrate BLS training as part of its ongoing efforts to promote student and staff well-being.

This report highlights the invaluable contribution of the BLS program in enhancing the safety and resilience of Kalyani Mahavidyalaya.

Blood Donation Camp

Organized by:

Health centre Subcommittee and NSS unit,

Kalyani Mahavidyalaya

in Collaboration with Blood Bank, J.N.M College of Medicine and Hospital

"Donate Blood, Save Life" রক্তে দান জীবন দান

BLOOD DONATION CAMP

Organised by
HEALTH CENTRE SUB-COMMITTEE & NSS UNIT
Kalyani Mahavidyalaya

In collaboration with
COLLEGE OF MEDICINE AND J.N.M. HOSPITAL
Kalyani, Nadia

Date | 06.06.2023
10.30 am onwards

Venue | **OLD STAFF ROOM**
Administrative wing, KMV

Date: 6th June 2023

Venue: Old Staff Room, Kalyani Mahavidyalaya

A voluntary blood Donation camp was organised by the Health Centre Sub-Committee and NSS unit of Kalyani Mahavidyalaya on 6th of June 2023 to i) mitigate the crisis of blood shortages ii) to imbibe a sense of responsibility in the students, iii) make the students aware of importance and benefits of blood donation. During the summer months, blood banks across the state face severe shortages, particularly affecting patients with conditions like thalassemia who require regular transfusions. To address this acute shortage of blood, the blood bank approached Kalyani Mahavidyalaya to organize a blood donation camp. The Principal of Kalyani Mahavidyalaya tasked the Health Centre Sub-Committee with organizing the event.

AISHE Code: C-7123

The blood donation camp was a one-day event held in the old staff room of Kalyani Mahavidyalaya. The venue was chosen for its accessibility and spaciousness, ensuring a comfortable environment for donors and medical staff.

Students, NSS volunteers Teaching and non-teaching staff of Kalyani Mahavidyalaya showed remarkably vely participated in the camp. Their involvement was crucial in the success of the event. Each donor was provided with a donor card, which will benefit them in the future.

A team from J.N.M Medical college and Hospital provided all necessary accessories (sphygmomanometer , stethoscope, weighing machine , blood bags , cotton swabs etc), supervised the donation process, ensuring the safety and well-being of all participants.

51(fifty-one) students including faculty member found fit to donate blood and donated blood. After donating blood, students and volunteers were provided with tiffin and beverages, following the directions of the medical team to aid in their recovery.

Program Outcome:

The blood donation program was a resounding success, addressing the urgent need for blood during the summer shortage. It is noteworthy that girl students came forward and donated eagerly participated in the camp. The collaboration between Kalyani Mahavidyalaya and J.N.M College of Medicine and Hospital not only helped replenish the blood banks but also raised awareness among students about the importance of blood donation. This initiative demonstrated the power of community involvement and the significant impact of collective efforts in addressing public health challenges.

To,

The Principal
Kalyani Mahavidyalaya
Kalyani

Subject: Appeal to organizers to organize blood donation camps during summer season

Sir/Madam,

With due respect, COM & JNM Blood Centre informs you that there is an acute crisis of blood due to scarcity of blood donation camps due to scorching heat.

So we appeal before you to organize a blood donation camp of at least thirty (30) donors to overcome this crisis.

Thanking you.

Skill Development Program on Entrepreneurship

Date - 07/08/2018, Venue - Seminar Hall, Kalyani Mahavidyalaya

Organized by Career Counseling Cell

No of participants - around 200

Resource Persons from college Alumni association and teachers talked about the usual career path generally followed by learners. But it often takes a long time to start earning. On the other hand, an entrepreneurship venture, though a bit riskier, may be very rewarding and worth taking the risk. Ideas ranging from mushroom cultivation, production of biofertilizer, becoming a youtuber, editing videos, engaging in community service for elderly etc and a lot. Several students shared ideas of sustainable development like establishment of a nursery, crafting etc. The event generated huge response among students as was evident from the huge attendance.

Resolution:-

The meeting started after Principal Madam took chair.

(1) The minutes of the proceedings of previous meeting dt. 16/03/2022 were read & confirmed.

(2) The convener reported that the 5th April session on job prospects was a Grand success with more than 400 participants. Sessions were delivered by Mr. Sanjay Paul & Mrs. Sharmistha Chatterjee from AICE, which was followed by interactive session. Students demanded organization of similar events in future. Considering this overwhelming response Career Counsellor circulated a feedback form through which more than 140 students have responded. Keeping this in mind ^{and after discussion with AICE} it was unanimously decided that a one-on-one Counselling session will be organized on ~~23rd~~ 26th April (Tuesday) from 11am onwards.

Add-on Course for the Session 2022-23

Course Title: Computer Literacy Program

[Course Code: KM /CMSH-Add-On-22-23]

Course Objective:

Focal theme of this course is to help the students to enrich the role of computer in daily life. In this era of scarcity of jobs they can join different sectors and companies with some knowledge of computer.

This course has been designed in such a manner to develop confidence among the students to face all kind computer based office works. Tools like, MS word, spreadsheet, power point presentation, have been included in this course.

Duration of the Course: 30 Hours

Span of the Course: One Month. (12/06/2023 to 30/06/2023)

Course structure: The course is in blended mode, consisting of 30 hrs.

The course is divided into 15 credits (1 credit = 2 hours). The students must acquire at least 12 credits in-order to get the certificate.

Eligibility: B.A and B.Com (Honours and General students)

Course Fee: Free

Last date of application: 31st May 2023

Application Link: <https://forms.gle/jJdmJ56CcLRtCux7>

Number of Seats: 1000

Certification: The candidates successfully completing the course will be awarded a certificate of completion.

Course Structure:

Sl. No.	Modules	Course Outline	Required Hours	Credits
1	Module-01	Fundamentals of Computer Science	10 Hours	5
2	Module-02	Office Automation- MS WORD	6 Hours	3
3	Module-03	Office Automation- MS EXCEL	8 Hours	4
4	Module-04	Office Automation- PPT	6 Hours	3

Module-01: Fundamentals of Computer Science

- Introduction to Computer and Problem Solving
- Hardware and Software
- Generations of Computer
- Number System and Codes
- Boolean Algebra
- Introduction to Database Management System
- Computer Networks and Internet
- Information Technology and Laws

Module-02: Office Automation- MS WORD

- Introduction, Starting Word, working with word documents, working with text
- Working with tables checking spelling and grammar
- Adding graphs to the document, header and footers, page numbers, protect the document, working with formatting tools
- mail merge

Module-03: Office Automation- MS EXCEL

- Introduction, starting Spreadsheet, Spreadsheet environment, Working with Spreadsheet workbook, Working with worksheet – Entering data, formatting tips and Techniques
- Generating graphs, Formulas and Functions, Understanding formulas and cell references, basic mathematical operations, using common functions (e.g., SUM, AVERAGE, COUNT), applying absolute and relative cell references, nesting functions
- Inserting charts, sorting, Pivot Tables, data extraction
- Adding clip art, add an image from a file, Printing in Spreadsheet.

Module-04: Office Automation- Power Point Presentation

- Starting Presentation, Working with Presentation, Creating, Saving and Printing a presentation, Working with Animation, adding a slide to presentation, Navigating through a presentation, Slide-sorter, Slide-show, Editing slides,
- Working with Graphics and Multimedia (Inserting Photo, Video & Sound)

KALYANI MAHAVIDYALAYA

DEPARTMENT OF ENGLISH

(ACADEMIC SESSION: 2022-23)

SKILL DEVELOPMENT PROGRAM

A COURSE ON

ENGLISH LANGUAGE & COMMUNICATION

Course Overview:

This seven days English course is tailored specifically for professional life and competitive examinations. This comprehensive program is designed to enhance English language and communication skills, focusing on the areas considered to be most crucial for success in professional life. Besides, anyone who is preparing for any competitive exam or government job exams, this course will equip the learner with necessary tools and strategies to excel.

Duration:

12th Sept'22 Monday to 17th Sep'22, Saturday
6 days 15 hours,

Key Features:

Practical Assignments: Participants will engage in practical assignments and real-world simulations to reinforce learning and apply concepts learned in class to actual workplace scenarios.

Expert Instruction: Learn from experienced instructors with a background who will provide personalized feedback and guidance throughout the course.

Interactive Sessions: Engage in interactive sessions, discussions, and workshops to enhance understanding and collaboration among participants.

KALYANI MAHAVIDYALAYA
