Designed to become as educational and industrial hub, Kalyani was affectionately called the dream child of Dr. Bidhan Chandra Roy, the then Chief Minister of West Bengal. Though two Universities, two Engineering colleges, and a good number of regional and state level institutions and a number of excellent schools are located in Kalyani but there was no degree college in the town, Kalyani Mahavidyalaya was established in 1999 to cater not only to the needs of Kalyani, but also to the vast areas in Nadia, Hooghly and 24 Parganas (N).

NOTE

MISSION AND VISION KALYANI MAHAVIDYALAYA

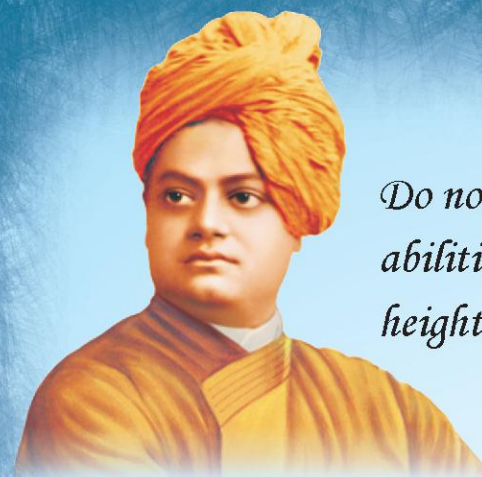

MISSION

Kalyani Mahavidyalaya aims to provide the best education possible to students who come from diverse backgrounds. We seek to provide an environment of learning which is beyond the boundaries of class, caste, religion and gender. Students in collaboration with faculty and staff are made aware and sensitive of their moral responsibilities and social issues. Mahavidyalaya intends to provide a platform where, during the most formative years of their lives, students may learn to explore, argue and assess all social, economic, cultural and environmental issues before them. Our Mahavidyalaya endeavours to produce skilled individuals capable of making the world around them a better place to live in.

VISION

The vision of Mahavidyalaya is to

1. Empower the students to face the challenges of life both academic as well as personal,
2. To inspire the students for life-long learning,
3. To prepare the students to be better human beings who are physically, mentally, morally and spiritually educated and responsible citizens of a challenging world,
4. To innovate new, more effective and alternative techniques and interactive method of teaching.
5. To develop the analytical ability, critical and independent thinking of the students,
6. To sustain a caring, supportive climate throughout the Mahavidyalaya, To enhance the effective and efficient management of the Mahavidyalaya

Do not lower your goals to the level of your abilities. Instead, raise your abilities to the height of your goals.

Swami Vivekananda

Never say NO, Never say, 'I cannot', for you are INFINITE. All the power is WITHIN you. You can do anything.

Swami Vivekananda

Ultimately, education in its real sense is the pursuit of truth. It is an endless journey through knowledge and enlightenment.

A. P. J. Abdul Kalam
