BLOOD DONATION CAMP

Organised by
HEALTH CENTRE SUB- COMMITTEE & NSS UNIT
Kalyani Mahavidyalaya

In collaboration with
COLLEGE OF MEDICINE AND J.N.M. HOSPITAL
Kalyani, Nadia

Date | 06.06.2023
10.30 am onwards

Venue | **OLD STAFF ROOM**
Administrative wing, KMV

Date: 6th June 2023

Venue: Old Staff Room, Kalyani Mahavidyalaya

A voluntary blood Donation camp was organised by the Health Centre Sub-Committee and NSS unit of Kalyani Mahavidyalaya on 6th of June 2023 to i) mitigate the crisis of blood shortages ii) to imbibe a sense of responsibility in the students, iii) make the students aware of importance and benefits of blood donation. During the summer months, blood banks across the state face severe shortages, particularly affecting patients with conditions like thalassemia who require regular transfusions. To address this acute shortage of blood, the blood bank approached Kalyani Mahavidyalaya to organize a blood donation camp. The Principal of Kalyani Mahavidyalaya tasked the Health Centre Sub-Committee with organizing the event.

The blood donation camp was a one-day event held in the old staff room of Kalyani Mahavidyalaya. The venue was chosen for its accessibility and spaciousness, ensuring a comfortable environment for donors and medical staff.

Students, NSS volunteers Teaching and non-teaching staff of Kalyani Mahavidyalaya showed remarkable enthusiasm and actively participated in the camp. Their involvement was crucial in the success of the event. Each donor was provided with a donor card, which will benefit them in the future.

A team from J.N.M Medical college and Hospital provided all necessary accessories (sphygmomanometer , stethoscope, weighing machine , blood bags , cotton swabs etc), supervised the donation process, ensuring the safety and well-being of all participants.

51(fifty-one) students including faculty member found fit to donate blood and donated blood. After donating blood, students and volunteers were provided with tiffin and beverages, following the directions of the medical team to aid in their recovery.

Program Outcome:

The blood donation program was a resounding success, addressing the urgent need for blood during the summer shortage. It is noteworthy that girl students came forward and donated eagerly participated in the camp. The collaboration between Kalyani Mahavidyalaya and J.N.M College of Medicine and Hospital not only helped replenish the blood banks but also raised awareness among students about the importance of blood donation. This initiative demonstrated the power of community involvement and the significant impact of collective efforts in addressing public health challenges.

Subject: Appeal to organizers to organize blood donation camps during summer season

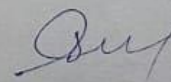

Sir/Madam,

With due respect, COM & JNM Blood Centre informs you that there is an acute crisis of blood due to scarcity of blood donation camps due to scorching heat.

So we appeal before you to organize a blood donation camp of at least thirty (30) donors to overcome this crisis.

Thanking you.
